# Important Safety Information

- Please read these instructions thoroughly and retain for future use.
- All products manufactured and supplied by Bristan are safe provided they are installed, used correctly and receive regular maintenance in accordance with these instructions.
- If you are in any doubt about your ability to install this product safely you must employ the services of an experienced qualified tradesman.
- Do not use if the showerhead or shower hose has been damaged or is blocked
- Do not crush or kink the shower hose, this could damage the hose and cause leaks.
- Remove all packaging and check there are no missing or damaged parts.
- Before starting any installation please consider the following:
  - Before drilling into walls, check that there are no hidden electrical wires, cables or water supply pipes. This can be checked with the aid of an electronic detector.
- If power tools are used do not forget to:
  - Wear eye protection
  - Unplug equipment after use
- This product must not be modified in any way as this will invalidate the guarantee.

# Dimensions

# Pack Contents

1. Wall Bracket x2
2. Fixing Bracket & Screws x2
3. Hose Retainer x1
4. 1.5m Hose x1
5. Slider Bracket x1
6. Handset x1
7. Riser Rail x1

# Installation

1. Identify all components and study the diagram before commencing installation.
2. Either use the riser rail (7) assembled with the wall brackets in place as a template to establish the position for the fixing holes. and mark out the wall surface accordingly.
3. NOTE: Ensure the riser rail (7) is close enough to the shower outlet so that the handset (6) will reach the handset holder (5) in its maximum position when connected to the outlet with the hose (4).
4. Drill holes to suit, wall plugs provided, (if required). If you are fitting the riser to a partition wall or a wall of particularly soft friable substrate, you will need appropriate fixings for the wall type.
5. Using the fixing kit (2), secure the metal plate to the wall using the screw & wall plugs.
6. Slide the hose retaining ring (3) and handset holder (5) to the riser rail (7).
7. Fit the wall brackets (1) and secure to the wall plates, using the grub screws that come with the brackets.
8. Attach the hose (4) and handset (6) to the outlet using the small sealing washers provided.

# Guarantee

At Bristan, we want to make things as easy as possible for our customers. That's why we design products that are easy to fit and use, and that are quality tested to make sure they won't let you down. It's also why we offer solid guarantees on all products, effective from the date of purchase, to give you peace of mind.

Bristan's shower accessories are covered by a **5 year guarantee**. This also includes **5 year labour cover\*** (subject to registration) which means that, in the unlikely event that there is a problem in the first year after purchase, we'll send one of our expert engineers to fix it.

\*Labour is provided by an approved Bristan Care engineer or appointed representative. The guarantee only applies to products with a manufacturing fault. There will be a call out charge for any incidents where no fault has been found with the product, or if the issue is due to poor installation or maintenance.

## Guarantee Terms and Conditions

This guarantee is in addition to your statutory and other legal rights and is subject to the following conditions:

- The product was purchased within the United Kingdom or Republic of Ireland.
- The guarantee applies solely to the original purchaser with proof of purchase.
- The installation must allow ready access to all products for the purpose of inspection, maintenance or replacement.
- Repair under this guarantee does not extend the original expiry date. The guarantee on any replacement parts or product ends at the original expiry date
- Any part found to be defective during the guarantee period will be replaced without charge, providing that the product has been installed in accordance with the instructions given in this guide and used as the manufacturer intended.

## The guarantee does not cover

- Damage or defects caused by:
  - General wear and tear (including special non-chrome finishes;
  - Components such as filters, seals, 'O' rings and washers)
  - Incorrect installation
  - Repair using non-Bristan part
  - Accidental or wilful misuse
  - Corrosion and the use of inappropriate cleaning products.
  - System debris including the build up of limescale (which can be controlled through regular servicing and maintenance)
- Compensation for loss of use of the product or consequential loss of any kind.

In the interests of continuous product improvement, Bristan reserves the right to alter product specifications without notice.

The Bristan Product Guarantee does not affect your statutory rights as a consumer.
